

2009 Fall Retreat

Ad Hoc Sessions – Sept. 30th

Ad Hocs are a vital part of the Retreat program and provide an invaluable opportunity to get together with other like-minded funders. They are intended to be funder-only conversations around specific issues, approaches, etc. They are different from concurrent sessions, where a greater portion of the time is spent presenting information. Non-funders may not participate in Ad Hoc sessions.

Ad Hocs will be offered on Wednesday, September 30th, 4pm – 5:30pm.
